THE WEEKLY DIGEST

Sept. 24, 1972

Section Two

Vol. 64, No. 13

INDEX TO VOLUME 63 JANUARY THROUGH JUNE 1972

Items in QUOTE are arranged alphabetically according to subject matter. In the semi-annual index, the first numeral in each reference indicates the page, therefore "ADVERTISING—99;" tells you that an item on Advertising will be found on page 99.

One or more letters following a page number, refer to material in regular departments. For example: "LIBRARIES—192-NI;" indicates that an item on that subject is in New Ideas on page 192. The reference to "AGE—115-I;" means that an item on that subject will be found in the regular Good Stories section on page 115 under index letter I.

Quotations in the section May We QUOTE You On That? are also numbered and a reference such as "AIR POLLUTION—530-16Q;" refers to a quotation on that subject on page 530 in the May We QUOTE...section. When the letter "I" follows the Q as in the reference "FOREIGN AID—216-1Q I;" it indicates the special Quote-ettes feature on page 216.

A complete list of department abbreviations appears below:
